Work experience

09/2019 - Present   Full stack | YOUR CREATIVE PEOPLE, REMOTELY JOB

We are working on online school passed in NodeJs, GraphQL , Prisma , React and Apollo

08/2016 - 11/2018 Manager | OAH TECHNOLOGY, TANTA, EGYPT

I started my own company for technology hope be big something in open source programming world.I start learn many skills from Udemy React, JavaScript, Angular, NodeJS, MongoDB, AWS and Python then start in my first project with new experience open source Components UI based on React and Styled components package then i was developed admin dashboard with my components Ui, game with NodeJS GraphQL TypeScript frontend Angular With Apollo .

10/2011 - 08/2016 Tatar war manager | HARB ELTATAR FOR COMPUTER GAMES, TANTA, EGYPT

I start my journey in the website developing in this project. It was browsers game Tatar War based on PHP language.I worked as a Manager, developer, designer and support in this project. I get big money from this project.I sold this website in 08/2016 because browsers game started down and mobile app comes up.But until now i work on developing this project.
